14 • Scholten & Baijings

Amsterdam Amrore.

About Scholten & Baijings combine minimal forms and balanced use of colour with traditional craft techniques and industrial production in a distinctive, almost un-Dutch design style. They build a bridge between designer, artisan and manufacturer. Their close involvement in the production process results in design with both a perfect finish and a personal signature.

Presentation Established & Sons is a uniquely positioned British design company focused on producing and representing all that is innovative in contemporary design. The presentation at their showroom shows the Amsterdam Amrore, Colour Lights and the Butte series designed by Scholten & Baijings.
